The STEAM specialization takes STEM (Science, Technology, Engineering and Mathematics) to the next level by adding Arts (liberal, social, manual, physical and fine arts) to the framework for integrated instruction. STEAM empowers teachers to employ a project-based learning approach that crosses all of these disciplines in solving everyday problems. This approach aligns with Common Core Standards and has been shown to engage students and allow them to use both left and right brained thinking in the same exercise.

The application deadline is August 5, 2019.

To complete the “Documents” section within the “Program Materials” category, answer the 2 questions provided for your program within separate documents. A maximum of 500 words is allowed for each of the questions. In addition, no more than 1000 words will be accepted for the total word count between the two documents. Be sure to upload your personal statement file in an acceptable file type. File sizes are limited to 15 MB.

To complete the “Recommendations” section, be sure to list your recommenders. Most programs require 2 recommendations, however some only require 1. Be sure to check the exact requirements for your respective program.

When entering your recommenders contact information, ensure that it is their their best way to be reached. As a best practice, you may want to notify your recommender that they will be contacted via sandiegoinfo@liaisoncas.com and that they will be required to create an login account.

Once logged in, they will be asked a series of questions about you and will then be able to upload their letter of recommendation. If you’d like to add a personalized message within your request, you can add something via the “Personal Message/ Notes” section of the recommendation request.

Recommendations

The Online MEd programs require two letters of recommendation. Recommendations should address both academic and personal skills, and if possible, teaching abilities.

Once you have saved an electronic recommendation, an email request will automatically be sent to the recommender on your behalf. Please advise your recommender to look for this email in their inbox, as well as their spam or junk-mail folder, as emails do occasionally get filtered out. Please note: All references submitted within this section of your application are program specific. If you choose to remove this program from your application, please understand your letters will be deleted along with the program.
