

## Spring 2024 Registration is open from November 1st - December 15th.

Upon submission of the Enrollment Agreement form, students will be registered in the courses based on their program start date and course completion status each semester. Not sure what courses you're registered for? **To check your course registration, please review the information under the "View My Schedule" link from the MySanDiego portal.** If you have not received or submitted your Enrollment Agreement form or have any questions about your degree plan, then please reach out to your Program Coordinator, Ashleigh Zellmer, at [azellmer@sandiego.edu](mailto:azellmer@sandiego.edu). All students will be registered for two courses. Students will be registered for ONE core course and ONE specialization course each semester. If you are in your final semester of the program, you will be registered for the **Capstone** course (EDUC 550) and your last specialization course. Please note the Capstone course will span the **full 14 weeks** of the semester.

**"Available through Digital Inclusive Access"** means that an etextbook from VitalSource will be integrated into your course in Canvas automatically and **there is a fee** charged to your student account. If you prefer to use another vendor and not get charged for this version, **you must opt out manually** in Canvas by the specified deadline provided by the Textbooks Office (you will get an email!). **Please note that the option to opt-out becomes available upon your course opening in Canvas.** See the "[Textbook Information](#)" section on your Student Success Center for more details.

**Please note, you may have additional texts that are required of you in your courses (listed in your syllabus) but those additional texts will be available to you free of charge. Only textbooks that are required for purchase are listed on this page.**
