

# MS IN ENGINEERING, SUSTAINABILITY AND HEALTH

## DEGREE PLAN

University of San Diego®

Program Start: Fall 2025

*This degree plan is for students beginning the MS in Engineering, Sustainability and Health (MSESH) program in the Fall 2025 term. This plan assumes that students will complete their degree in five consecutive semesters and do not take a leave of absence from their program. Taking a leave of absence will change the degree plan and delay the anticipated program completion.*
