CYBR 510: Security Test Engineering	01/07/2025 to 02/24/2025	No Textbooks Required
CYBR 512: Secure Network Engineering	02/25/2025 to 04/14/2025	No Textbooks Required
CYBR 514: Cyber Engineering Research I	01/07/2025 to 02/24/2025	No Textbooks Required
CYBR 516: Cyber Engineering Research II	02/25/2025 to 04/14/2025	No Textbooks Required
Key for dates: Course A Course B Semester Long		

REGISTRATION POLICY & PROCEDURES:

Students will be manually enrolled for each semester (including Spring, Summer, and Fall terms) by your Program Coordinator once you have filled out the MSCSE Enrollment Agreement. Once registered for a semester, students will receive an email confirmation of the registration. It is the student's responsibility to notify the Program Coordinator if they do not wish to be enrolled in a semester. In that case, a Leave of Absence would be required. For drop and withdrawal policy and deadlines, view the academic calendars found on the [MSCSE Student Success Center](#). Reach out to your Program Coordinator, Imari Washington, at iwashington@sandiego.edu with any questions.

COMPTIA LAB FEE COSTS:

CompTIA Security Pro - \$159

CompTIA Ethical Hacker Pro - \$179

CompTIA Cyber Defense Pro - \$169

*Please note: CompTIA Courses will be used across several classes but students will only be charged once as a lab fee for each course.

TEXTBOOK INFORMATION

***RECOMMENDED FOR ENTIRE PROGRAM:**

American Psychological Association (2019). *Publication manual of the American psychological association*, (2020) (7th ed.). ISBN-13: 978-1433832178, ISBN-10: 1433832178.

Unless otherwise specified, students may select any vendor they prefer (such as Amazon.com, Half.com, Alibris.com, etc.) to purchase their course materials. In the event a specific vendor is required, it will be specified in the course materials list. The best way to ensure that you have the correct book is to search by the ISBN number(s) listed on the book list.

Physical copies of books are **not** on hand at the USD Torero Store. The USD Torero online store does offer price comparison for different online vendors for some books.

VITALSOURCE ELECTRONIC TEXTBOOK ACCESS:

VitalSource is an online bookshelf program that is used to access eBooks for your courses and allows for Canvas course integration. Students will be charged for the textbook(s) through their USD student account after the 4-day course launch opt-out period. All students will have access to their textbook(s) for the first 4 days of the course's launch. During this period, you may choose to opt-out of VitalSource if you choose to purchase the textbook(s) through another source. The electronic text purchased through your student account is the guaranteed lowest price available. Your purchase provides you with access for the entire course, and can be extended beyond the course end date if you opt to purchase extended access.

For questions about textbook requirements, please reach out to your Program Coordinator, Imari Washington, for details.
