

Spring 2026 Registration is open from November 3 - December 15

Upon submission of the Enrollment Agreement form, students will be registered in their appropriate courses according to their program start date. If you have not received or submitted your Enrollment Agreement form or have any questions about your degree plan, then please reach out to Program Coordinator, Lela Reagan, at lreagan@sandiego.edu.

Please note you can purchase your textbooks in any modality (e-text, hardcopy, etc.) from a vendor of your choice unless otherwise specified.

If you prefer to use another vendor and not get charged for this version, **you must opt-out manually** by the specified deadline provided from the Textbooks Office (you will get an email). **Please note that the option to opt-out becomes available upon your course opening in Canvas.** See "[Textbook Information](#)" section on your Student Success Center for details.

All students will be registered in a maximum of two courses per term. Not sure what courses you're registered for? [Use this helpful guide to learn how to view your course registration](#) via the [MySanDiego portal](#).
