

MS IN HEALTH CARE INFORMATICS (Online)

DEGREE PLAN

Program Start: Fall 2026

University of San Diego®

This degree plan is for students beginning the online MS in Health Care Informatics (MSHCI) program in the Fall 2026 term. This plan assumes that students will complete their degree in five consecutive semesters and do not take a leave of absence from their program. Taking a leave of absence will change the degree plan and delay the anticipated program completion.
