

Summer 2026 Registration is open from March 2nd-April 17th

Upon submission of the Enrollment Agreement form, students will be registered in their appropriate courses according to their program start date. If you have not received or submitted your Enrollment Agreement form or have any questions about your degree plan, then please reach out to Program Coordinator, Lela Reagan, at lreagan@sandiego.edu.

“Available through Digital Inclusive Access” means that an e-textbook from VitalSource will be integrated into your course automatically and **there is a fee** charged to your student account. If you prefer to use another vendor and not get charged for this version, **you must opt-out manually** by the specified deadline provided from the Textbooks Office (you will get an email). **Please note that the option to opt-out becomes available upon your course opening in Canvas.** See the "[Textbook Information](#)" section on your Student Success Center for details.

Note: Unless otherwise specified, you may purchase or rent the textbook(s) from any vendor of your choice. Please make sure the ISBN, book title, and edition match. Please note, these textbooks will not be available via the USD Torero Bookstore.

All students will be registered in a maximum of two courses per term. Not sure what courses you're registered for? [Use this helpful guide to learn how to view your course registration](#) via the [MySanDiego portal](#).

IMPORTANT TEXTBOOK DETAILS

Unless otherwise specified, students may select any vendor they prefer (such as Amazon.com, Half.com, Alibris.com, etc.) to purchase their course materials. In the event a specific vendor is required, it will be specified in the course materials list. The best way to ensure that you have the correct book is to search by the ISBN number(s) listed on the book list.

Physical copies of books are **not** on hand at the USD Torero Store. The USD Torero online store does offer price comparisons for different online vendors for some books.
