

MS IN CYBER SECURITY ENGINEERING

DEGREE PLAN

University of San Diego®

Program Start: Fall 2026

This degree plan is for students beginning the on campus MS in Cyber Security Engineering (MSCSE) program in the Fall 2026 term. This plan assumes that students will complete their degree in five (or six with CYBR 505) consecutive semesters and do not take a leave of absence from their program. Taking a leave of absence will change the degree plan and delay the anticipated program completion.
