

MS IN APPLIED ARTIFICIAL INTELLIGENCE (Full-Time On-Campus)

DEGREE PLAN

Program Start: Spring 2027

This degree plan is for students beginning the On-Campus MS in Applied Artificial Intelligence (MSAAI) program in the Spring 2027 term. This plan assumes that students will complete their degree in four consecutive semesters and do not take a leave of absence from their program. Taking a leave of absence will change the degree plan and delay the anticipated program completion.
