

MS IN APPLIED ARTIFICIAL INTELLIGENCE

DEGREE PLAN

University of San Diego

Program Start: Summer 2027

This degree plan is for students beginning the online MS in Applied Artificial Intelligence (MSAAI) program in the Summer 2027 term. This plan assumes that students will complete their degree in five consecutive semesters and do not take a leave of absence from their program. Taking a leave of absence will change the degree plan and delay the anticipated program completion.
