Spring 2027 Registration is open from November 2nd - December 14th

Upon submission of the Enrollment Agreement form, students will be registered in their appropriate courses according to their program start date. If you have not received or submitted your Enrollment Agreement form or have any questions about your degree plan, then please reach out to Program Coordinator, Diana BuDoff, at dbudoff@sandiego.edu.

Please note you can purchase your textbooks in any modality (e-text, hardcopy, etc.) from a vendor of your choice unless otherwise specified.

"**Available through Digital Inclusive Access**" means that an e-textbook from VitalSource will be integrated into your course automatically and **there is a fee** charged to your student account. If you prefer to use another vendor and not get charged for this version, **you must opt-out manually** by the specified deadline provided from the Textbooks Office (you will get an email). **Please note that the option to opt-out becomes available upon your course opening in Canvas.** See "Textbook Information" section on your Student Success Center for details.

All students will be registered in a maximum of two courses per term. Not sure what courses you're registered for? Use this helpful guide to learn how to view your course registration via the MySanDiego portal.
